Experience and Expertise

Over the course of more than 2 years, IndiGlobal Labs has designed about 50 clinical research study proto, each tailored to meet the unique needs of our clients. Our portfolio includes PK studies, BA studies, BE studies, GI studies, Claim studies designed to explore new avenues of research and are essential for regulatory approval by esteemed bodies such as the Central Drugs Standard Control Organization (CDSCO) and the European Medicines Agency (EMA).

Quality Assurance and Accreditations

At IndiGlobal Labs, quality is the cornerstone of everything we do. We take pride in our ISO-certified quality management systems, which ensure meticulous oversight at every stage of the research process. Our commitment to excellence extends to our state-of-the-art pathology lab, accredited by the National Accreditation Board for Testing and Calibration Laboratories (NABL). By adhering to the highest standards of Good Clinical Practice (GCP), Good Laboratory Practice (GLP), and compliance with regulations such as 21 CFR Part 11, we provide our clients with the assurance of reliable, reproducible results.

Specialized Capabilities

IndiGlobal Labs boasts a seasoned team of experts with a wealth of experience in handling a diverse array of formulations and therapeutic areas. Our proficiency in navigating regulatory inspections further underscores our ability to deliver results of the highest caliber. From formulation development to clinical endpoint analysis, our team is equipped with the knowledge and expertise to drive your research forward.

“Your Partner in Advancing Clinical Research: Quality, Integrity, Excellence”

Milestones

Milestone Achievement:

We successfully completed a study involving female volunteers, further expanding our understanding of gender-specific factors in clinical research. This accomplishment highlights our unwavering commitment to advancing medical knowledge and improving patient outcomes.

Certifications and Accreditations:

- ISO Certified
- NABL Accredited
- CDSCO Approved
- ISP Chile Recognized

Partner with IndiGlobal Labs

As you embark on your next clinical research endeavor, consider partnering with IndiGlobal Labs for unparalleled expertise, quality, and reliability.
